

If you have sun - you have wind!

When you like sports, especially outdoor sports, you know how fast you be sweat in the sunlight. Our "Solar Windcap" will help you, to have a cool forehead!

The power of the sun energizes the motor of the ventilator and brings a cool breeze to your face.

A perfect tool and gift for jogger, walker and other outdoor sports.

The cap can be imprinted for promotional use.

Features:

1. A solar cell energizes the ventilator
2. The Solar Windcap™ can fit nearly all headsizes
3. Very lightweight but powerful solar cell
4. Weather resistant material of the cap

Shipment: Solar Windcap incl. ventilator and solar cell
